

Week 4: Haunted Hill

1. Watch out for those witches and ghosts, because next week PCC will transform into the “Haunted Hill.” Bring back your favorite Halloween costume for the dance on Thursday night and get ready for a spookily spectacular time!
2. The big day has almost arrived... Family Visiting Day 2018! On Friday, August 3rd, parents are invited to attend both classes with their PCC student. See the additional weekly flyer for more details and a handy campus map. We are looking forward to seeing all of you then!
3. Who’s got talent? PCC’s got talent! We can’t wait to see what incredible performances our annual PCC Talent Show has in store for us this year! This special event will take place on Wednesday, August 1st. Unfortunately, due to limited space availability, we will be unable to invite guests to attend this performance. We will post the show live on Facebook, so tune in to view all the talent we have at PCC! Find us at “Project Contemporary Competitiveness!”
4. Our talented Improv students will also be hosting their Improv show during core course next week on Tuesday, July 31st! We will be unable to invite guests to this performance, but not to worry! Improv students will be doing an encore performance of their show during Family Visiting Day to show off their hilarious skits to their families!
5. Although it kills us to say this... we need to start preparing for the end of PCC 2018! At the end of Week 5, students should bring home all non-essential items from their dorm rooms. This will help make move-out a whole lot easier for everyone when this sad day arrives.
6. Please don’t forget to bring back \$10 for your floor party next week. Your proctors are working hard to plan a special surprise for your floors to have some fun bonding time! If you have not yet paid for previous hall parties, don’t forget to bring in your money!
7. One of the most highly anticipated performances of the summer is fast approaching... our Music and Movement show, of course! If you are an M&M student and you would like to pre-purchase tickets for the M&M show on Tuesday, August 7th, please bring in some extra money with you next week. Each M&M student will receive 2 free tickets and all other tickets will be on sale for \$5 each. Due to a different venue this year, limited tickets are available. Pre-sale tickets are recommended to be purchased to ensure you are able to attend.
8. Follow PCC on Facebook, Twitter, Instagram and now even Snapchat for up to the minute updates on this summer and a behind-the-scenes look at PCC! @PCCASP

While we appreciate that there are many members of your family that would like to visit your PCC student, we would like to remind you that this is a visiting day for the **parents/guardians** of our PCC students only! There is **VERY** limited space in our classrooms and we cannot accommodate all of our students and more than **TWO** members of their families.

Parking is limited to Lot #11 and Lot #17 on FVD. These are the same parking lots that you reported to on opening day of our program. Please see the campus map on the reverse side of this flyer for the location of these parking lots if you are unsure. If you have a concern with parking that would require special accommodations, please contact the PCC Office. You may either call (508) 565-4988 or e-mail your concerns to pcc@stonehill.edu, and we will be happy to make arrangements for your stay on Stonehill College campus.
